Manuscript Number:	Ms_AJBGMB_107096
Title of the Manuscript:	Moringa - The Miracle Tree: An Overview of its Nutritional and Medicinal Properties
Type of the Article	Review article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes (1. the manuscript tells about the medicinal and nutritional values of moringa (moringa oleifera) 2. Moringa is multiuseful because of having medicinal multiproperties 3. Along with medicinal properties its having lot of nutritional values 4. Nicely reviewed and written but having some scarcities.)</p> <p>Yes (Medicinal and nutritional values of Moringa: A miracle tree)</p> <p>Yes [Some changes are required (1. page 9, anti-inflammatory effects and antimicrobial activity should go page 5 and 7 of anti-inflammatory and immunomodulatory effects of moringa and antimicrobial activity of moringa 2. Page 8, medicinal properties of moringa should be written other medicinal properties of moringa)</p> <p>Some changes are required sated above. No reference numbers in the text. Yes</p> <p>Correction required. Ref 14 – no page number, mentioning authors name use and/&, use & in all for uniformity.</p> <p>Not Sufficient but not latest. Should include more latest references (last three years)</p> <p>Topic id good, collected/reviewed nicely but some corrections/additions are required because moringa os very common three, found everywhere and scientifically lot of research/work already done on it.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Language quality is good/suitable</p>	
<p>Optional/General comments</p>	<p>1. Language is good. 2. Sentences are good. 3. Include more latest references. 4. Include reference numbers in the text too. 5. You are focusing more on antidiabetic, anti-inflammatory, antimicrobial. Its ok. But these should not go in other medicinal properties. 6. Changes is required in writing the references.</p>
