PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	<p>_MS well prepared.</p> <ul style="list-style-type: none">-Methodology , materials and methods upto date.-Study showed a very significant percentage of protein, Flavonoid and terpenoids were detected in the plant samples especially <i>Mangifera indica</i> flower.-The findings indicated that a high presence of Flavonoid, Terpenoid and Protein in <i>Mangifera indica</i> plant parts is a sign of the possibility that the plant sample could contain a reasonable percentage of Apeginin, Myrcene and Tryptophan which are known active components to induce sedation and can feature in the future as a good source of sleep aid against insomnia.-References up to date.-On the whole the MS is found to be significant and recommended for publication subject to editors satisfaction.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
