

Review Form 1.6

Journal Name:	European Journal of Nutrition & Food Safety
Manuscript Number:	Ms_EJNFS_90180
Title of the Manuscript:	The Effect of Dietary Supplement on Glutathione Level in Rats
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalejnf.com/index.php/EJNFS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The overall findings of the study are good and will be useful for further studies. However, scientific academic writing style is missing in the manuscript with grammatical and punctuation error which could have serious other meanings. From material & methods (2.5) (The liver of the experimental animals were slaughtered and their organs) Why choose Baladi Cultivar? Does it have increased effectiveness? Too many text citation in 3.1 overcrowding the actual result.	
Minor REVISION comments	Check for spelling mistakes and grammatical error. From abstract (Cesteine)	
Optional/General comments	Grammar and spelling check recommended along with scientific writing and reporting style.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes. Kindly please write down the ethical issues here in details)</i>
