PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is a small study about elder people living in hospices in the city of Kisangani in the republic of Congo, about their main illnesses, and about their satisfaction with the care and the medical support. The study is small, but the explanation is very comprehensible.	
Minor REVISION comments	The English language should be overlooked before the publication.	
Optional/General comments	The different paragraphs, the tables, the statistical analysis, the list of references are very correct.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
