

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_90809
Title of the Manuscript:	Coat Protein characterization of Mungbean yellow mosaic virus infecting blackgram (<i>Vigna mungo</i> L. Hepper) in Tamil Nadu
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript requires major revision. The writing needs major improvement. There are grammatical and spellings errors which should be corrected. The text is written in uppercase all through. This needs to be corrected. Style of citing References in text should be uniform, either numbers or author's name. Recent references should be included. Methods should be written in past participle tense. Primer sequences should be designated as 5' to 3' and key for degenerate bases should be mentioned. The nanodrop ratios of plant DNA samples are well below optimum ratio. This should be looked into. Results and discussion section needs improvement in terms of comparison with results obtained by other researchers.	
Minor REVISION comments	Manuscript needs thorough revision. Abstract: Correct dna as DNA ncbi as NCBI	
Optional/General comments	The manuscript needs lot of improvement in writing, presentation and analysis of results obtained.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
