General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

<https://www.journalijtdh.com/index.php/IJTDH/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The author should please format the abstract in line with the journal's guidelines. The subtitles like: Aim, Introduction, Materials and Methods, and others, should be deleted and the abstract written as a single piece. The keywords should not be in italics. Words should first be written in full and the abbreviation in parenthesis before the abbreviation can be used alone. For the in-text citation, the symbol [] should be maintained throughout. The author should please adhere to the journal's guidelines for references especially, the first reference. The tables and figures should be inserted immediately after the corresponding text. They should not be in the appendix section	
Minor REVISION comments	The author should kindly go through the whole manuscript and ensure that it is free from grammatical errors.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
