

Editor's Comment:

I have evaluated the comments of the reviewers and the editor of International Journal of Plant & Soil Science. I perused the correction/changing on the manuscript "2022_JAERI_87761" made by the authors.

The authors have addressed all comments which suggested by both reviewers.

My editorial decision is to accept the transfer the manuscript from International Journal of Plant & Soil Science to Journal of Agriculture and Ecology Research International for publication.

Editor's Details:

Dr. Ozdal Gokdal
Professor, Aydın Adnan Menderes University, Çine Vocational School, Turkey.
