PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In my opinion, in the introduction the author must provide more data from the framework literature. The statistical data in this version of the article are outdated and must be updated.	
Minor REVISION comments	Introduction section need some recent information. More numbers of recent reviews should be added to justify the research topic. In material and method, the author doesn't discuss the method they used in this paper. Reference section need modification	
Optional/General comments	More detailed comments can be found in the manuscript.	

PART 2:
