PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The abstract is recommended to have at least 250 words to give a clear idea of the work. The idea of the study is interesting, but the methodology is very rudimentary. It is necessary to include statistical analyzes that validate and establish important relationships or correlations with the analyzed data. It is also necessary to make a more structured and extensive reference consultation to be able to compare the data obtained with other studies of this type.	
Minor REVISION comments		
Optional/General comments		

PART 2:
