

Review Form 1.6

Journal Name:	Asian Journal of Fisheries and Aquatic Research
Manuscript Number:	Ms_AJFAR_90790
Title of the Manuscript:	EFFECT OF DIFFERENT DENSITY ON SURVIVAL RATE OF GOURAMI FINGERLING (OSPHRONEMUS GORAMY) RAZOR SIZE ON CLOSED TRANSPORTATION SYSTEM
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajfar.com/index.php/AJFAR/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Do a thorough revision of spacing and punctuations. Rectify spelling mistakes. Check the representation of units in the article. Align the table properly. Description of the mathematical formula- use subscript feature form MS Word. COCLUSION: Check properly- percentage mentioned is in incorrect form. Article requires tense-based revision in many sentences within the text-</p> <ul style="list-style-type: none"> • Fish Performance Post Transportation (A higher level of fish density causes stress to the fish so that their condition is weaker.) • Survival Rate (The survival of the fish was observed and calculated when opening the transport package and after being reared for 7 days.) • Post Transportation Survival Rates (Increased metabolism causes hypoxia in fish, where hypoxia is a condition where there is a lack of oxygen in body tissues which causes an increase in the opening and closing of the operculum.) 	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
