	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1. Key words must be according to "MeSH"</li> <li>2. METHODOLOGY needs to be expanded.</li> <li>3. Fig. 1. There are two types of bars, but those bars were not referenced!!!!</li> <li>4. Figs. 2, 3, and 4, and .... The axis X and also Y should be referenced.</li> <li>5.</li> </ol>	
<b>Minor</b> REVISION comments	<ol style="list-style-type: none"> <li>1. Paragraph beginning should be indent.</li> <li>2. Adolescent and young adult (AYA). It mentioned in paragraphs 1 and 2, in the second paragraph and rest of the paper just use "AYA".</li> <li>3. It needs an space "group in cancer care[2]." Between sentence and the reference in square bracket.</li> <li>4. Last paragraph of introduction, what "NICRH" stand for?</li> <li>5. Revise this sentence "From the data, 51.43%, i.e., i.e. 305 patients were poor, 31.53%, i.e. 187 patients were below average socioeconomic class, and the rest of the 24(4.05%) patients were in a suitable category."</li> <li>6. "...and a markedly higher burden of thyroid carcinomas was observed within the female AYA population(27, 28)." Here the references placed in parenthesis but other placed in square bracket.</li> <li>7.</li> </ol>	
<b>Optional/General</b> comments
