

**Editor's Comment:**

My final decision is positive. I think that the last version of the paper can be published.

The organization of the manuscript to be checked.

Punctuation has to be reviewed: extra/missing periods, missing commas after linking words when beginning a sentence.

**Abstract part**

Extensive abstract, containing 338 words. It should not exceed 300 words.

**Check grammar.**

to have the text English proofread (mainly the application of articles).

**References should be checked.**

There are citations that are not included in the references.

References have to be checked and use the Journal's reference style.

to elaborate the bibliographic citation and references format according to the needs of ARJASS.
