PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none">- In the whole Introduction, Statement of the problem, and Significance of the research there is one reference from 13 years ago.- Lakh is not an international unit for numbering.- In fourth paragraph of Introduction, investigators commented on the ways of prevention, which does not make sense.- In Review part, two objectives out of three are discussed.- In Methods, there is a non-representative study in first part, which is not clear at all.- It is not possible to combine a cross sectional study with a case report study.	
Minor REVISION comments		
Optional/General comments
