### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"><li>1. The corrections made in the article by the reviewer are to be rectified compulsorily</li><li>2. Lot of spelling and grammatical mistakes are there which may be corrected and resubmitted</li><li>3. The transplanting age of PKM – 1 annual moringa is 35-45 days only. Why is was grown for three months in the poly bag?</li><li>4. The maximum plant height was measured as 140.03 cm which is too tall and stem girth was only 2.05 cm which is too thin even after 90 days of growth. After transplanting the seedlings will be lean and lanky and will not produce sturdy trees in the field.</li><li>5. More of copy paste text have been found in the submitted article</li><li>6. Materials and methods should be re written elaborately</li></ol>	
<b>Minor</b> REVISION comments	<ol style="list-style-type: none"><li>1. Align the article in neat and legible form</li><li>2. Suitable title given which may be modified</li></ol>	
<b>Optional/General</b> comments		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
