PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper is in accordance with the Aims and Scope of the Journal. The paper is suitable for publication.	
Minor REVISION comments		
Optional/General comments	This study is very useful in the general context. I find that bringing farmers and experts together is beneficial for sustainable agriculture. Numerical and graphical results are of high interest. I suggest that a future paper of authors should deal with common actions of farmers, experts, stakeholders and authorities in order to achieve the sustainable development of rural areas.
