

Editor's Comment:

I already have read the paper entitled " **Effect of tillage and nutrient management practices on quality parameters of rice fallow sesame**; written by K. Hari Priya, K. Ramesh, Mangal Deep Tuti, T.Anjaiah, M A A Qureshi and Pradhuman Yadav. And also i have read reviewer comment and author's response. **So i support this topic to be published at International Journal of Environment and Climate Change.**
