

Review Form 1.6

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_91393
Title of the Manuscript:	Effect of NAA And GA3 On Fruit Yield and Yield Attributory Traits in Phalsa (<i>Grewia subinaequalis</i> D.C.) c.v. Sharbati
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
