PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Please pay attention to some aspects regarding the paper aspect: <ul style="list-style-type: none">- landscape all over looks strange;- there is more than one Font used (at least 4);- also, more than one colour – black, grey;- very large tables, please find a way to make them fit in the page area. Explain all the significance of the terms – for example "L:B ratio". Offer more comments based on the results presented in tables, maybe even use the correlation to create a graph (Figure). Check again the "Reference" – not all are cited in the text.	
Minor REVISION comments		
Optional/General comments
