PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Manuscript is well written but need some improvement.	
Minor REVISION comments	Too many key words, need to consise and specific on the basis of report results. In introduction section, all the keywords should discussed keeping focus on article title. Six tables in the results make it clumgy , my suggestion make some graph that will easy understood to readers. And, citation of table(s) in description should done under result and discussion section	
Optional/General comments
