

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_90754
Title of the Manuscript:	Arbuscular mycorrhizal fungi as influenced by nutrient uptake and soil enzyme activity of tobacco rhizosphere under parasitic weed stress condition
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The research paper is written in a good manner and with the few suggestive changes it could be published in the journal. Write all the references in same format as prescribed by the journal. Try to quote the recent papers taken for reference. Arrange the references in chronological order of either year or alphabets (as suggested by journal format)	
Minor REVISION comments	The added comments in the manuscript could be corrected by the author for the further processing of paper.	
Optional/General comments	The manuscript has been written in a nice manner. The author can improve the written manuscript by taking the recent references and improving the suggested changes.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
