PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I want to congratulate the author for the wonderful work, because this discrimination between genders happens in several places, where women were formerly considered the owner of the house and men at work. It is clear in the research how much there is this male rejection of women	
Minor REVISION comments	Congratulations relevant work
