PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Could you describe in the paper the method that you use for your conclusions; add limitations of the study and the areas in which other authors could do more research. You have a good and strong framework and the objective of the study is clear; attend recommendations to have a better paper.	
Minor REVISION comments	Probably you can write the abstract more short. Some lines are repetitive. Please add in the abstract the kind of study. I recommend to do not write "the author believe" I recommend the Word conclude instead believe.	
Optional/General comments		

PART 2:
