

### **Editor's Comment:**

Corresponding to the comments by two reviewers, the manuscript has been revised and improved. However, there are still some minor revisions. I suggest that this manuscript can be accepted for the

publication in the Journal, ACRI after revisions. I am sure that I do not request more reviews.

Minor revisions:

(1) *Psidium guajava* should be written in italic.

(2) Introduction: p1, L13: The term "Native" is changed to "native".

(3) Discussion: p7, L1: The sentence is changed to "The highest density was recorded in *Psidium guajava*

agroecosystems in the Adamawa region".

(4) p7, L25: The term "Agroforestry Parkland" is changed to "agroforestry parkland".

(5) p8, L3: The term "in Northern Region Cameroon" is changed to "in the northern region of Cameroon".

(6) Conclusion: p8, L2: The term "for order to" is changed to "in order to".

(7) p8, L3: The term "their contributing role" is changed to "their contribution to the role".
