

SDI EDITORIAL COMMENTS FORM

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
I have reviewed the comments and the revised manuscript and suggest acceptance but inform the authors of my observations: 1. There are spelling/typographical errors. Ask someone to proofread the paper. 2. The comment on the use of charts and tables to illustrate the same data was not followed. This is mandatory. The author should only choose either one.
