

Editor's Comment:

The revised manuscript (Ms_AJBGMB-94429) has still few anomalies needed corrections mentioned below:

1. In Discussion, Lines 132-133, "According tocontrol group". In this sentence, there is no correction / mention of the levels of phosphorous and potassium ions i.e. increase in phosphorous and decrease in potassium ions.

2. In Tables 1 and 2, unit dl should be represented as dL.

3. References are not formatted properly. Reference style is mentioned below:

1. Hilly M, Adams ML, Nelson SC. A study of digit fusion in the mouse embryo. Clin Exp Allergy. 2002; 32(4):489-98.

Note: List the first six authors followed by et al.
