PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none"> Please rewrite the abstract. It must capture the aim, the research process and data analysis, key findings, recommendations and implications of the study, among others. It must be written in present tense or the past tense ; not future tense Restate aim. It is too broad. Be specific. Also, state the aim in the present tense or past tense not in the future tense since the study is done. You may consider the aim as: To give a qualitative account of the experiences of dwellers of informal settlements within the port Harcourt municipality during the covid-19 pandemic in Nigeria and to highlight lessons for government's attentions Generally, update all references that are older than 10 years from 2022 Please clarify whether or not port Harcourt is a city or municipal and be consistent with it State the population of the research, Sample size of the study, how data were analysed Please state key lessons for government <p>You may consider the topic Attitude of government towards dwellers of informal settlements during the covid-19 pandemic in Nigeria: A focus on dwellers within the informal settlements in port Harcourt in a future study so do not include it here because there were no data and literature to support it for meaningful discussion and analysis.</p>	
Minor REVISION comments		
Optional/General comments	It may be considered for publication if the few corrections suggested are addressed by the researchers.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
