PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1- I think, the title needs to rewrite; as from the content, it is not versus, rather than "as a way to manipulate".2- In the paper introduction, it will be better to study mindfulness, in how it affects learning, especially, digital one, in both theories and related studies, as well, if possible.3- About methodology, is it content analysis, if yes, what its aim, and what about its item(s)??4- I think the conclusion section should connect between two variables: mindfulness and digital learning, and how we may utilise in reduce negative sides of digital learning, in the light of the previous presented in both introduction, and reach method.	
Minor REVISION comments	-----	
Optional/General comments	Important topic in the field.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
