PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	I have read through the manuscript. The manuscript has been well prepared and supported with credible literatures. The manuscript is feasible to be published in the AJFAR. However, there is a need the authors to describe review methodology in a subtitle after introduction, including source of data and information, how to find the most relevant articles, credibility of the selected journals (Scimago or scopus index, etc). It is important for better contribution the manuscript to the AJFAR	
Optional/General comments
