General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajl2c.com/index.php/AJL2C/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	(1) Learn more about how to write an abstract properly. (2) Do you mean "cloth" or "clothes"? Cloths are pieces of fabric, while CLOTHES are garments or pieces of clothing. You have to learn more to improve your vocabulary. (3) Please revise Reference Section by writing it alphabetically and put the year of that work after the author(s).	
Minor REVISION comments	(1) What do you mean of this sentence "For example, they communicate cultural identity of the person."? Please paraphrase it correctly in simple words.	
Optional/General comments	In my opinion, it would be better, if you improve your English vocabulary, both American and British English.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
