PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Android should be capitalized. Several places it is not. It is a proper noun in the case of the Android operating system used on smartphones. Keyword list: application is spelled wrong. Suggest changing "Playstore" to Google Play. Playstore is no longer used by Google...at least not in the US. The author also changes the name by writing out "Google Play Store." I suggest being more consistent in name usage. Implementation is spelled wrong in the list in the methodology section.	
Optional/General comments	Overall the paper is fine. There are some grammatical errors and spelling errors that should be corrected.
