PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| Compulsory REVISION comments | | |
| Minor REVISION comments | In results and discussion the author did not quoted any references as mentioned in the reference section. Conclusion must be elaborate. Author was keen in data collection and pie diagrams but not written clear discussions by quoting the studies mentioned in the reference section If these changes are being incorporated in the article, then the article may be published. | |
| Optional/General comments | ---- | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
