General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajrn.com/index.php/AJRNH/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The efforts of the author of this very interesting work is commendable. The manuscript however appeared more like a newsletter or newspaper report than being a scientific report. Expectedly, the work should indicate the "nationalities" and "culture(s)" that associate with the different "healing styles and methods" reported in the work but Many more items of importance like the use of "holy water, holy verses, etc" and/or "hand laying" need to be linked to their appropriate nationality, cultural, religious or traditional origin, so; many more readers can gain better from the beauty of this awesome work.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
