PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Title: correct it. It is a case report.	
Minor REVISION comments	Abstract: considering placing introduction, case report and conclusions to make it easier to read information. Keywords are missing. Discussion: in addition to highlighting the importance of monitoring pediatric patients with OMG and corticosteroids, it would be good to mention the other current treatment alternatives for this disease and its long-term prognosis,	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
