

Review Form 1.6

Journal Name:	Current Journal of Applied Science and Technology
Manuscript Number:	Ms_CJAST_94290
Title of the Manuscript:	Study On Use of Bluetooth Technology in Hearing Aids Among Adults
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalcjast.com/index.php/CJAST/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The questionnaire used for the study is not mentioned- was it author prepared or a published questionnaire and how was it validated. The author in the introduction section has placed more emphasis on hearing loss rather than hearing aid technological development. There are grammatical errors throughout the article which need to be corrected to strengthen the content.	
Optional/General comments	This article highlights on the latest developments in hearing aid technology and how it is playing an important role in improving the quality of life of persons with hearing impairment.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
