PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript is very well written, however there are some mistakes, So I strongly suggest the authors a careful revision of punctuation and orthography. The write-up could be more structurally arranged with the appropriate headings Abbreviations need to be better explained. The citations should follow the journal's editorial guide.	
Minor REVISION comments	The article contains editing and translation errors.	
Optional/General comments	The subject is good, the approach is pragmatic and precise and the results are clear, well systematized and bring useful information to practitioners. I recommend publishing it after reviewing the manuscript.
