

Review Form 1.6

Journal Name:	Current Journal of Applied Science and Technology
Manuscript Number:	Ms_CJAST_94442
Title of the Manuscript:	Impact of Lifestyle Factors on Chronic Otitis Media in Children Living in Slum areas
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalcjust.com/index.php/CJAST/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is a good article for publication. However, the article can only be published with a full revision of the references cited in the text body and the reference section of the article as mentioned below. 1. References mentioned in the text body are not as per Vancouver style. 2. Secondly, the references mentioned in the reference section are also not as per Vancouver style. For example, reference 2 is incomplete as per Vancouver style. Likewise, the author has mentioned only one author's name followed by et al in reference numbers – 13 to 17, 21 & 24. This is absolutely wrong as per Vancouver style. Also, in a few of the references use of (,) & (.) are not appropriate as per the reference rule.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
