

Editor's Comment:

I have gone through the revised version and the reviewer's remarks. I have found that most of the suggestions are incorporated by the authors. However, I have found several English and formatting issues in the revised version. I have highlighted the corrections in the attached manuscript file. Acceptance can be granted once these minor corrections are made.

Editor's Details:

Dr. Shah Rukh
Assistant Professor, National Center of Excellence in Geology, University of Peshawar, Pakistan.
