### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalindj.com/index.php/INDJ/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>It is an interesting and important topic; a current interest in diet will compensate for the lack of it in medicinal studies. I think this paper is a terrific start.</b>	
<b>Minor</b> REVISION comments	Sample sizes as well as different diets (Mediterranean, vegetarian and others) can be added in a follow up paper by the same group.	
<b>Optional/General</b> comments	Critical to create a sequence of publications in the same field..	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
