### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://journalirjgh.com/index.php/IRJGH/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	1. It would be better if 'PROCEDURE' section is mentioned as step-wise format or follow a sequence.	
<b>Minor</b> REVISION comments	1. In 'MATERIALS AND METHOD: Study Design-subject', kindly check 4 <sup>th</sup> line for grammatical errors. 2. In 'Sample Collection method' section also, check second sentence. 3. 'Conclusion' part need to be more descriptive that would mention few challenges to be solved in future.	
<b>Optional/General</b> comments	NA	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
