PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	The paper needs to be improved, e.g. the abstract needs to be rewritten, including the purpose, methodology, results, and policy suggestions, written in approximately 250 words. The background should be changed to the introduction, and its contents are improved, for example, How these contribute to the paper, the main section of a paper should start with an introductory section that provides more details about the paper's purposes, motivation, research methods, and findings. The introduction should be relatively nontechnical, yet sufficiently precise for an informed reader to understand the contribution of the manuscript. "The data were obtained from the Bank of Ghana1990 to December 2021" and the section "Pension Plan Projections Methodology" should be moved to the methodology section etc.
