Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	The analysis of Energy resource, GDP growth and Trade in Nigeria by using OLS and ARDL approach is scientific and unique. The author perception of study of relationship between FDI and natural gasses their impact on economic growth with appropriate theoretical reviews and empirical reviews will attract the concentration of world to focus on available alternative sources of renewable natural energy resources. However, the inclusion of Kuznet model of economic growth and environmental pollution will provide streghten theoretical background and increase quality and novelty of article. Hence, I strongly suggest you to publish this research fpaper in your journal which encourages further studies on the same.
