

Editor's Comment:

I have made the evaluation of the article:

Journal Name: Journal of Materials Science Research and Reviews

Manuscript Title: Redox Characterization of the Ferri/Ferrocyanide System on the p-type Silicon Paste Electrode for Biosensor Application

Type of Article: Original Research Article

After evaluating the original paper, I have reviewed the reviewers' evaluations and the authors' responses, I consider that the article is ready and complies with the process, so we can proceed with the publication.
