PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| Compulsory REVISION comments | In my opinion the paper is interesting and the structure is adequate. But, the level of the observation can be more better for the level of Original Research Article. | |
| Minor REVISION comments | I suggest the Abstract part should be rewritten in a refined statement and focused on research methodology and empirical results. Please also explore the research limitations for the study. | |
| Optional/General comments | The author should clearly describe his contribution from research view to improve the paper quality for readers. | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
