

SDI EDITORIAL COMMENTS FORM

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<ol style="list-style-type: none"> 1. The title need to modify- Author could be write like “Effects of different drying methods..... 2. The language of abstract need to check and correct 3. Author needs to mention section about used chemicals and reagents in the experiments in materials and method section 4. Total carbohydrates and energy (kacI) are also experimental parameter of proximate composition of products. Therefore, authors need to calculate and report the said parameters. 5. Figure 1 (A, B, C) not showing the Statistical significance between the drying methods 	<ol style="list-style-type: none"> 1. Suggestion accepted and added as per editorial comments 2. Checked and rewritten few parts as per editorial comments 3. Added 4. Usually, fish is a protein-enriched food product; no one eaten fish for carbohydrate cum energy, which is the main point; this is why experimental data have been omitted. 5. Not required
