PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The reviewed article is fascinating, presenting sufficient information to be published after minor revisions.	
Optional/General comments	The subject of the review is very interesting and worth being studied. The review offers plenty of information regarding XOS, properties, production, and applications. I have made some changes within the review and arranged it a bit. Also, I suggest authors introduce a figure regarding all applications that will comprise all important applications in one relevant figure.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
