

Editor's Comment:

The manuscript referenced as Ms_AJACR_93788 and entitled as "Preparation and Evaluation of 1,2-dibromoethane product as oil field emulsion breaker" submitted for publication in the Asian Journal of Applied Chemistry Research.

This manuscript is interesting by the new and ecological method to break oil emulsion that it deals with.

After accepting and correcting all the reported remarks by reviewers, I agree to the publication of this article in the Asian Journal of Applied Chemistry Research.
