PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. "Being institution of people, conflict and are bound to be there in the management of their day to day activities" – kindly revise this sentence, if a word is missing or grammatical error.2. Check the formula in research methodology.3. Number the references and align them.4. Does the participation results mentioned here take into effect of any variables like age, marital status etc. or are the variables adjusted anywhere?	
Minor REVISION comments	<ol style="list-style-type: none">1. Introduction – SHG is a voluntary "group" and not groups.2. Introduction – among social women "was their" social empowerment, not has made.3. Introduction – resolved through "active" participation and not actively.4. Mention about the factors that hinders the participation of women.	
Optional/General comments	<ol style="list-style-type: none">1. Sampling is small considering the large number of SHGs mentioned.2. It will be good if any points on improving the participation of women.3. Can mention about the average income from such SHGs and how it influences the participation of women.	

PART 2:
