PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| Compulsory REVISION comments | This seems interesting paper for me. Species of Rice seems to be important; i.e., Saka-mai of Yamada-nishiki has been utilized in Japan since taste is good for Japanese. | |
| Minor REVISION comments | | |
| Optional/General comments | Jaibangla is suitable from 3 points of Median value, and Bati Aijong seems to be good including Taste. | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
