### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	The paper failed to follow journal standard of reporting a research paper. It is in the form of project report format. Reporting should be in prose. The contents differ from the topic. Inadequate literature and methodology. The Paper emphasizes, impacts, Legal consequences, but that was not explicitly addressed. The reporting should have the following headings. Introduction, literature reviews, Methodology, results/Discussion and conclusion. The papers appears like giving a lecture. Sub heading not necessary. Please kindly give the author sample of a Journal article as a template.	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments	The paper did not follow any scientific methods of research and robust enough that would justify publishing in this state unless revised.	

### PART 2:
