EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>I have highlighted some sentences in red that need to be addressed by the authors.</p> <p>1. The para highlighted in red can be removed as such it has no relevance to the study.</p> <p>2. Once any project/dissertation is submitted to any Journal its course of action changes, it does not remain a dissertation, thesis or project work. It is a research article and the same needs to be written everywhere throughout MS where project/dissertation is written.</p>	<p>Thank you for the review. All corrections have been made and duly applied.</p>
